

Directions to MyTestTrack.com - Wirksworth

Wirksworth is located approximately 15 miles north of Derby and 5 miles south of Matlock, Derbyshire.

The best routes into Wirksworth are as follows:

1. From the North West

Take the A515 south from Buxton, turning onto the A5012, direction Cromford, at Newhaven. This road may be followed through to its end at Cromford where the B5023 can be taken into Wirksworth or, approximately 4 miles before Cromford, a right then immediate left turn can be taken via Middleton. **The Middleton route is unsuitable for HGVs.**

2. From the North-East

From Matlock, take the A6 to Cromford. Turn right at the traffic lights and take the B5023 over the hill into Wirksworth.

3. From the East

Take the A610 to Ambergate. At the T-junction, turn right onto the A6 northbound. After approximately three miles, light vehicles can take the B5035 direct to Wirksworth; heavy vehicles should continue for another three miles to Cromford, where they should turn left onto the B5023.

4. From the South

From Derby, take the A6 northbound to Duffield and turn left on to the B5023 which leads direct to Wirksworth.

5. From the West

From Ashbourne, take the B5035 in the direction of Wirksworth and Matlock. Near Wirksworth, light vehicles have two options to turn right, down unclassified roads into the centre of Wirksworth, while heavy vehicles can continue to the crossroads in Middleton where a right turn will lead down to Wirksworth.
